

Material Safety Data Sheet

【Manufacture Information】

Name of Company : water environmental technology Co.,Ltd
Company Address : 10F,No.9,lane 155.sec.3,Beishen Rd.xinbeicity,
Taiwan
Telephone : 886-2-86626898

【Name of Product】

alkaline water

【Ingridients】

Single or plixed product : Single Product
A chelnical name : Electrolysis alkaline water agent
Content : Water(Include under 1% of Potassium hydroxide)

Chelnical or constitutional formula : Undisclosed

Offcial reference number :
CAS NO. :
United Nations classification : Under the regulation of United Nations, Approved
as a Non-Hazard Material
:

【Hazard】

Classification or rating : Not Applicable
Hazardous : Non-Flammable, Not consider as an explosion
hazard
Hazardous property : None
Environmental impact : None

【Emergency and First Aid procedure】

Eye contact : Immediately flush with cool running water and call
a physician
Skin contact : Immediately flush with cool running water
Inhalation : Remove to fresh air
Ingestion : Drink a lot or water and call a physician
immediatly

【Spill and leak procedure】

Small amount : Wipe With Cloth
Large amount : Put some dirt and collect

【Special Protection InformatiOn】

Handle : Avoid eyes or skin contact, you may need protection
device (Glove,Goggle or protection cloth)
Storage : Avoid sun light, heat over 40°C,Keep in the cool
dark room

【Physical Data】

Appearance : Colorless liquid
Melting Point : 0°C

Vapor Density : 1
Vapor Pressure :
Boiling Point : 100°C
Evaporation Rate : None
Coefficient of water : None

【Health Hazard Data】

Skin and Eye effect : Middle to minor stimulation on rabbit.
Sensitization characteristics : No data
Acute toxicity : On rat LD 50 : 2,000mg/kg and over
Sub acute toxicity : No data
Chronic toxicity : No data
Cancer characteristics : No data
Variation characteristics(DNA) : No data
Toxic to Reproduction : No data
Others : None

【Environment effect】

Resolvability : No data
Accumulation characteristics : No data
The fish toxicity : No data
Others : None

【 Disposal procedure】

Small amount : Wipe with cloth and waste as a regular trash
Large amount : Neutralize with diluted hydrochloric acid and follow the Local Regulations

【Transport】

- Make sure no leak and do not damage the container
- Avoid high humidity sun light high heat(Over40°C)

【Law and regulations】

The Chemical deliberation Act : Not Applicable
The Occupational Safety and Health Act : Not Applicable
Firefighting Law : Not Applicable
Toxic Control : Not Applicable
Ship Safety Control : Not Applicable
Aviation Act : Not Applicable

【Others】

• These data and information is based on our best knowledge. These data and information do not guarantee anything and it may change if the law or regulation changes.
